

2nd piece for 24 strings
Erik Carlson
2018

Players create their own score.

The piece consists of a series of sections, each roughly equal in length and lasting 2-3 minutes.

The piece all occurs within the pitch range C3 - B4.

Each player is assigned one unique pitch to play for the entire piece.

In each section, a pitch is randomly chosen to be the anchor pitch.

Each section consists of a series of chords.

For each chord, a pitch in the range is randomly chosen.

For that chord, all pitches between and including the chosen pitch and the anchor pitch are played.

Each chord lasts for ~2 seconds.

At the end of a section, there is a pause of several seconds.

A new anchor pitch is chosen, and the process repeats.
