

for 8 clarinets
Erik Carlson
2016

Each player creates their own part,
which consists of a series of randomly generated 0's, 1's, and 2's.
for example:

0 1 0 0 2 2 1 1 1 etc.

The numbers represent notes (0= rest, 1 = C4, 2 = C#4)
Consecutive 1's or 2's are not rearticulated.
The tempo is ~60 bpm.

Play softly and dolce.
Begin and end together.
Share a common pulse (perhaps with conductor or click track).
Play for as long as desired.
