

7th piece for any number of players  
Erik Carlson  
2018

Before the performance,  
without consulting the other players,  
each player chooses a sound that can be sustained indefinitely at a soft dynamic.

For the performance,  
choose a duration,  
set a timer,  
and everyone plays their sustained sound together for that duration,  
with a subtle taper at the beginning and end so as not to be too abrupt.
