

for 2 or more performers

A template for creation.

Some participants are designated performers.  
Some participants are designated composers.

The following page is a blank form that represents one minute of time,  
each bar one second.

Make as many copies of this page as there are performers X duration in minutes.

In any combination / arrangement  
(one composer for each performer,  
one composer and many performers,  
many composers and one performer,  
etc)

Composers spend one minute writing on the blank pages for minute 1,  
and place the page(s) on the music stands of the performer(s) in time for them to begin playing.

While the performer(s) play for one minute,  
the composer(s) begin work on the next page for minute 2.

Etc.
