

14th piece for string octet  
Erik Carlson  
2016

The score is created by the players.

Each part consists of a series of 8-second notes,  
staggered so that one new note sounds every second.  
The instruments enter and end the piece one at a time.

For each new note, each player plays a new note within the octave G3 - F#4  
that is also not being played by another instrument at that moment.

Softly but with a healthy tone. Dolce.  
Play for as long as desired.
