

for trumpet solo  
by Erik Carlson  
2016

A set of 30 phrases.  
Each phrase has 3 elements A, B, and C, in that order.  
A and B are sounded tones.  
(they both must be the same tone,  
which will also be the single tone for the entire piece,  
perhaps C4, but another tone can be substituted).  
C is a rest.  
Rearticulate B.

For each of the 30 phrases, A, B, and C are each given a number  
ranging from 1 to 30.  
These are durations of beats at tempo ~180 bpm.

A score is randomly generated so that each number is applied  
to each letter once and only once.

Play at a somewhat soft dynamic.
